HD101

Ceiling: Painted metal decorative strips with reflective light belt

Back wall: Antique brass etched stainless steel

Side wall: Marble rock panel + patterned antique brass stainless steel

Recommended front wall material: Antique brass stainless steel

HD102

Ceiling: Antique brass stainless steel edge frame + acrylic spray paint

Back wall: Antique brass mirror sandblasted stainless steel, wood veneer

Side wall: Wood veneer

Recommended front wall material: Antique brass stainless steel

HD103

Ceiling: Painted metal edge frame, reflective light belt, downlight

Back wall: Rose gold mirror etched stainless steel, wood finish metal trim

Side wall: Rose gold mirror stainless steel, wood finish metal decorative strips

Recommended front wall material: Mirror rose gold stainless steel

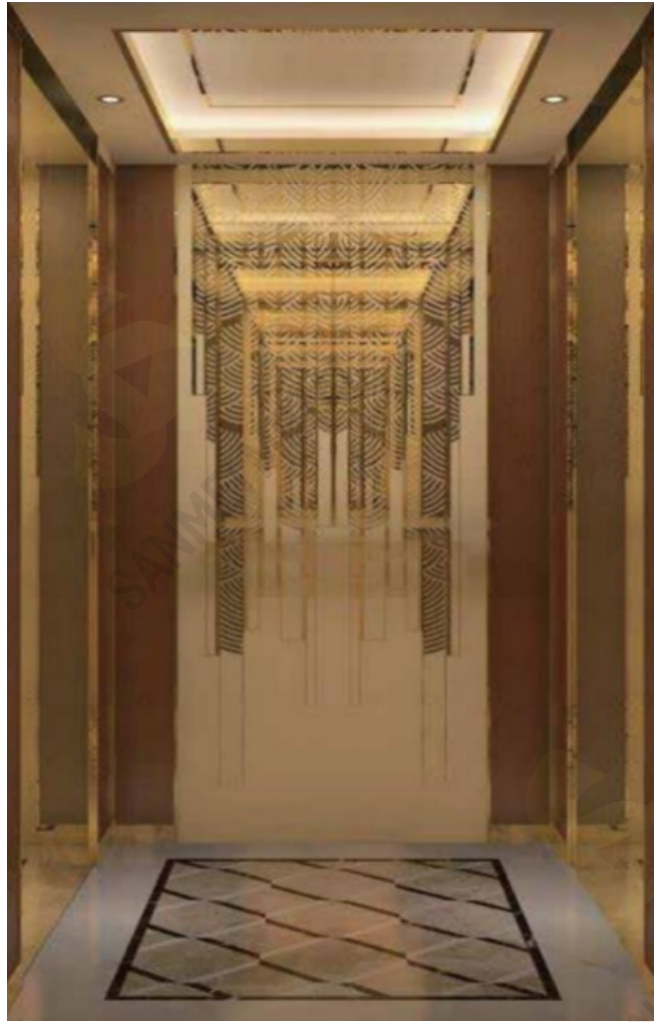

HD104

Ceiling: Painted metal edge frame with decorative metal strips, reflective light belt, downlight

Back wall: Titanium gold mirror etched stainless steel, wood veneer

Side wall: Titanium gold mirror etched stainless steel, wood veneer

Recommended front wall material: Titanium gold mirror stainless steel

HD105

Ceiling: Painted metal edge frame with decorative metal strips, reflective light belt, downlight

Back wall: Titanium gold mirror etched stainless steel, wood veneer

Side wall: Titanium gold mirror etched stainless steel, wood veneer

Recommended front wall material: Titanium gold mirror stainless steel

HD106

Ceiling: Painted metal panel with decorative metal strips, reflective light belt, downlight

Back wall: Titanium gold mirror stainless steel, wood veneer

Side wall: Titanium gold mirror stainless steel, wood veneer

Recommended front wall material: Titanium gold mirror stainless steel

HD107

Ceiling: White wood finish with decorative metal strips, reflective light belt, downlight

Back wall: Titanium gold mirror etched stainless steel, wood veneer with decorative strips

Side wall: Titanium gold mirror stainless steel, wood veneer with metal strips

Recommended front wall material: Titanium gold mirror stainless steel

HD108

Ceiling: Rose gold mirror edge frame, acrylic light panel, downlight

Back wall: Art silk glass, rose gold mirror stainless steel

Side wall: Rose gold mirror stainless steel, wood veneer with metal trim

Recommended front wall material: Mirror rose gold stainless steel

HD109

Ceiling: Rose gold mirror edge frame, acrylic light panel, downlight

Back wall: Wood veneer, mirror rose gold stainless steel

Side wall: Mirror rose gold stainless steel, wood veneer with decorative strips

Recommended front wall material: Mirror rose gold stainless steel

HD110

Ceiling: Mirror titanium gold edge frame, acrylic light panel, downlight

Back wall: Resin panel, mirror titanium gold stainless steel

Side wall: Resin panel, mirror titanium gold stainless steel

Recommended front wall material: Mirror titanium gold stainless steel

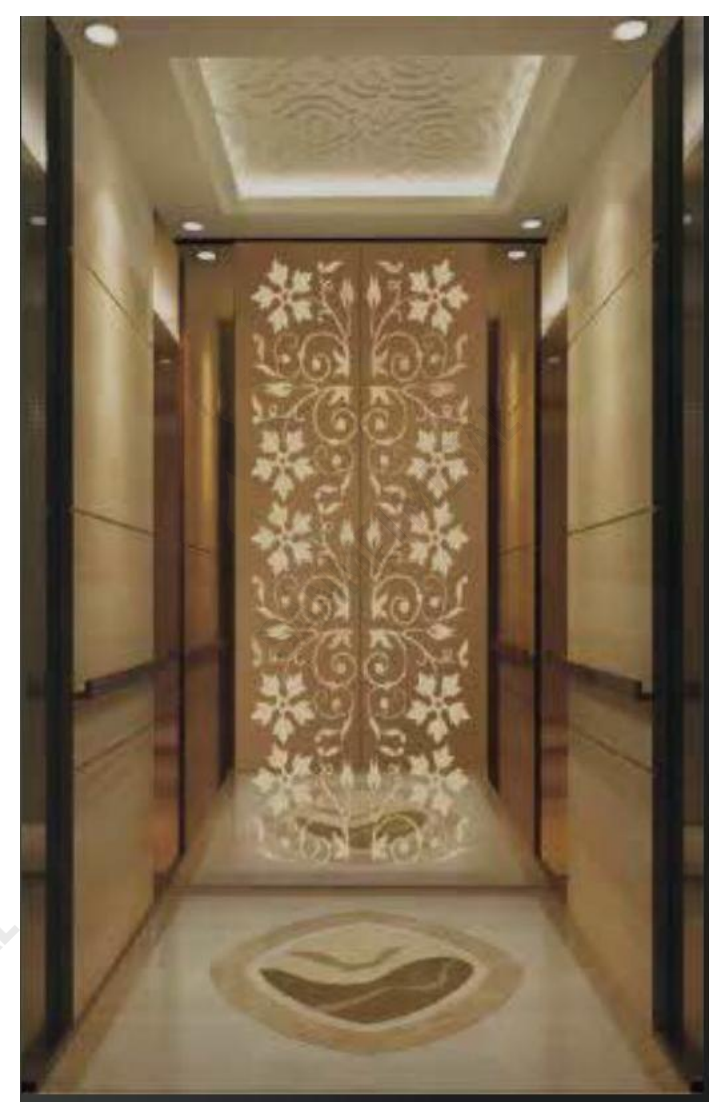

HD111

Ceiling: Rose gold mirror edge frame, acrylic light panel, downlight

Back wall: Mirror etched rose gold, sandblasted rose gold stainless steel

Side wall: Mirror etched rose gold, sandblasted rose gold stainless steel

Recommended front wall material: Sandblasted rose gold stainless steel

HD112

Ceiling: Wood finish design, reflective light belt, downlight

Back wall: Mirror etched rose gold, mirror rose gold stainless steel

Side wall: Mirror rose gold stainless steel, leather upholstery

Recommended front wall material: Mirror rose gold stainless steel

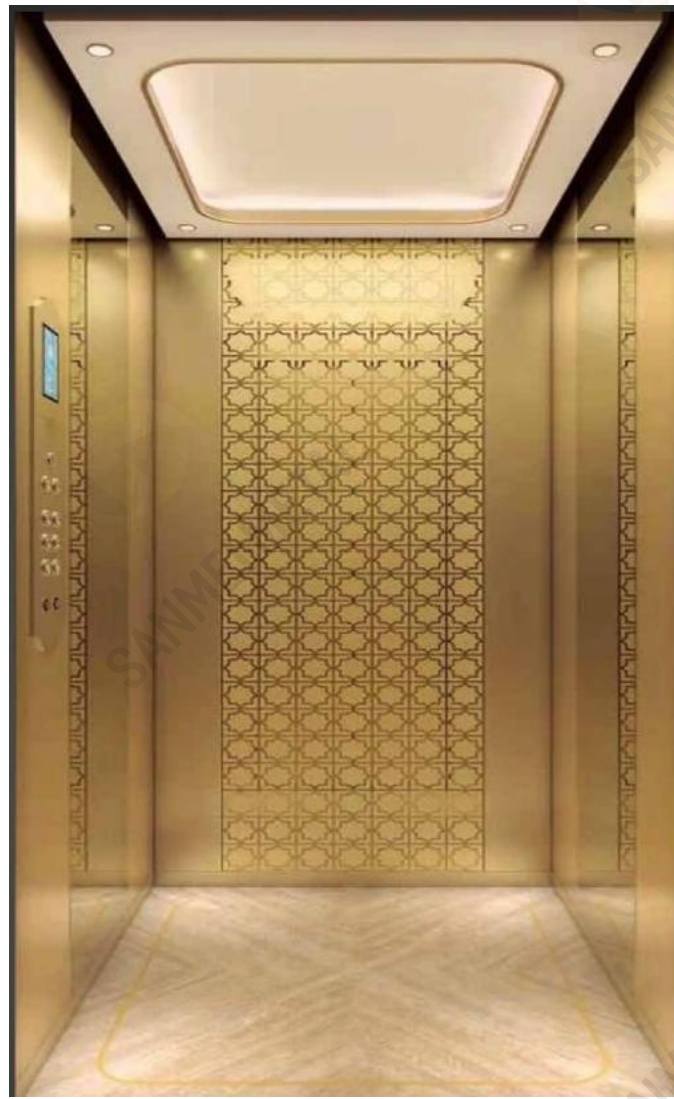

HD113

Ceiling: Painted metal edge frame with decorative strips, downlight + reflective lighting

Back wall: Mirror stainless steel, etched mirror stainless steel

Side wall: Etched mirror stainless steel

Recommended front wall material: Mirror stainless steel

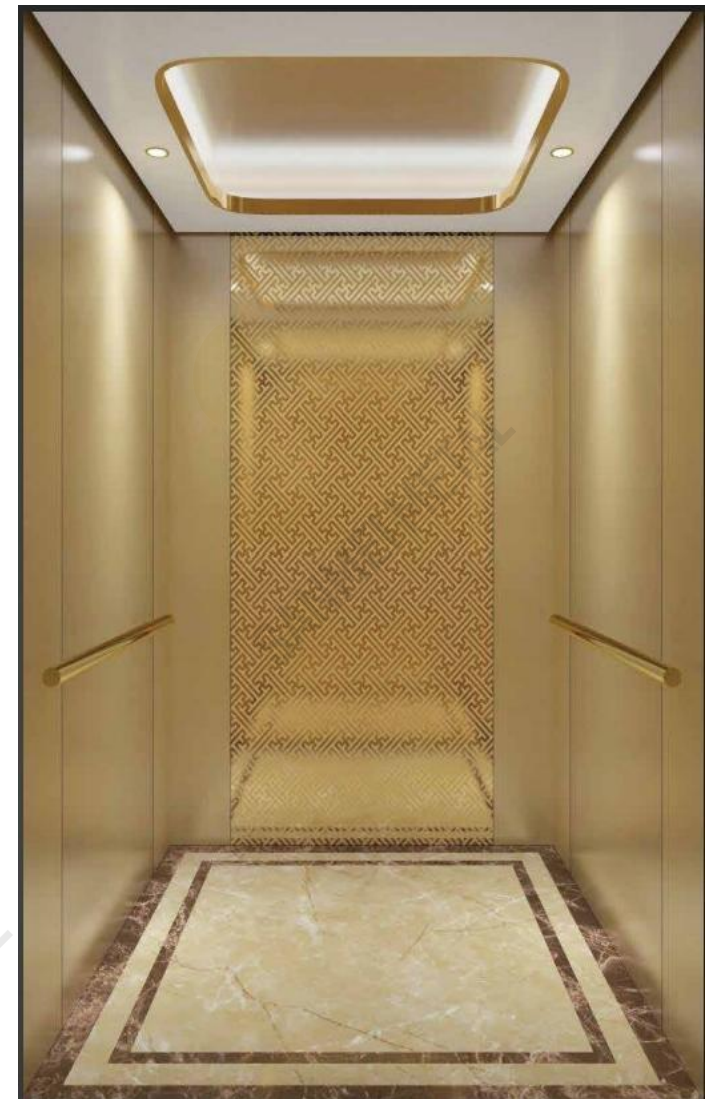

HD114

Ceiling: Painted metal edge frame with decorative strips, downlight + reflective lighting

Back wall: Titanium gold mirror etched stainless steel, patterned titanium gold stainless steel

Side wall: Mirror titanium gold, patterned titanium gold stainless steel

Recommended front wall material: Patterned titanium gold stainless steel

HD115

Ceiling: Painted metal edge frame with decorative strips, downlight + reflective lighting

Back wall: Titanium gold mirror etched stainless steel, patterned titanium gold stainless steel

Side wall: Patterned titanium gold stainless steel

Recommended front wall material: Patterned titanium gold stainless steel

HD116

Ceiling: Mirror black titanium stainless steel, wooden grille, reflective light belt

Back wall: Mirror black titanium stainless steel, wooden grille, wall lamp

Side wall: Wooden grille

Recommended front wall material: Mirror black titanium stainless steel

HD117

Ceiling: Wood finish design, decorative metal strips, downlight + reflective lighting

Back wall: Wood finish with metal strips, mirror rose gold stainless steel

Side wall: Wood finish with metal strips, mirror rose gold stainless steel

Recommended front wall material: Mirror rose gold stainless steel

HD118

Ceiling: Painted metal edge frame with decorative strips, downlight + reflective lighting

Back wall: Mirror black titanium etched stainless steel, decorative metal strips, wood veneer

Side wall: Wood veneer, decorative metal strips

Recommended front wall material: Mirror black titanium stainless steel

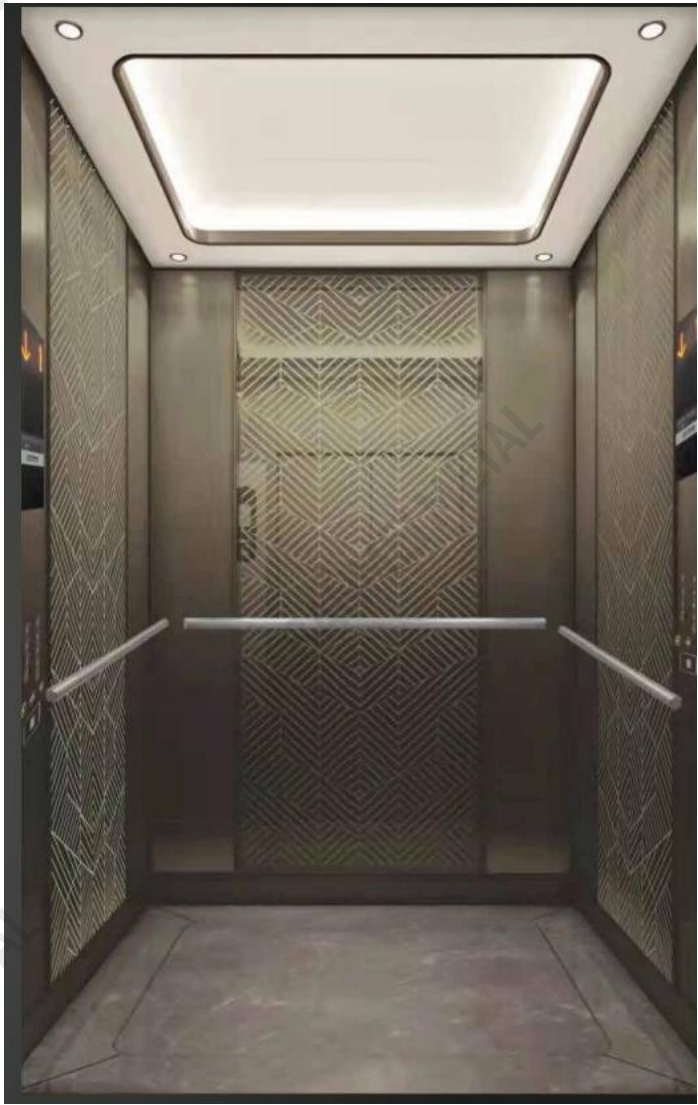

HD119

- Ceiling:** Mirror champagne gold edge frame, stone pattern acrylic light panel, downlight
- Back wall:** Mirror etched champagne gold, patterned champagne gold stainless steel
- Side wall:** Patterned champagne gold stainless steel
- Recommended front wall material:** Patterned champagne gold stainless steel

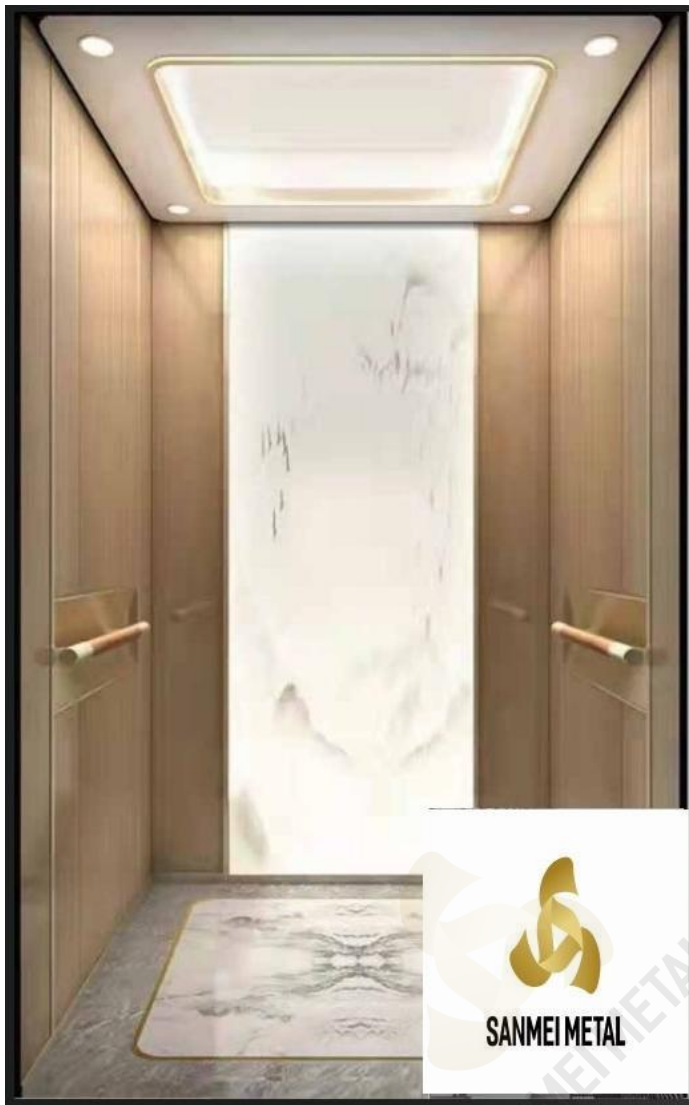

HD120

- Ceiling:** Patterned champagne gold edge frame, reflective light belt, downlight
- Back wall:** Stone veneer, patterned champagne gold stainless steel
- Side wall:** Patterned champagne gold stainless steel
- Recommended front wall material:** Patterned champagne gold stainless steel

HD121

- Ceiling:** Painted metal edge frame with decorative strips, downlight + reflective lighting
- Back wall:** Mirror etched antique green, decorative metal strips, patterned antique green stainless steel
- Side wall:** Mirror etched antique green, decorative metal strips, patterned antique green stainless steel
- Recommended front wall material:** Patterned antique green stainless steel

HD122

Ceiling: Painted metal edge frame, decorative strips, downlight + reflective lighting

Back wall: Art glass, decorative metal strips, patterned rose gold stainless steel

Side wall: Patterned rose gold stainless steel, decorative metal strips

Recommended front wall material: Patterned rose gold stainless steel

HD123

Ceiling: Mirror champagne gold edge frame, acrylic light panel, downlight

Back wall: Mirror etched champagne gold, artistic sandblasted champagne gold stainless steel

Side wall: Mirror etched champagne gold, artistic sandblasted champagne gold stainless steel

Recommended front wall material: Artistic sandblasted champagne gold stainless steel

HD124

Ceiling: Patterned champagne gold edge frame, downlight

Back wall: Mirror etched champagne gold, patterned champagne gold stainless steel

Side wall: Patterned champagne gold stainless steel

Recommended front wall material: Patterned champagne gold stainless steel

HD125

Ceiling: Mirror black titanium edge frame, acrylic light panel

Back wall: Painted panel, patterned black titanium stainless steel

Side wall: Wood veneer

Recommended front wall material: Patterned black titanium stainless steel

HD126

Ceiling: Wood design edge frame + reflective light belt + downlight

Back wall: Mirror etched rose gold + wood edge + wood finish

Side wall: Mirror rose gold + wood edge + wood finish

Recommended front wall material: Mirror rose gold stainless steel

HD127

Ceiling: Painted metal edge frame, decorative strips, downlight + reflective lighting

Back wall: Wood finish, stone veneer + decorative strips, bronze mirror

Side wall: Wood finish + stone veneer + decorative strips

Recommended front wall material: Patterned rose gold stainless steel

HD128

Ceiling: Mirror rose gold edge frame, downlight

Back wall: Patterned etched rose gold, mirror rose gold stainless steel

Side wall: Mirror rose gold, patterned rose gold stainless steel

Recommended front wall material: Patterned rose gold stainless steel

HD129

Ceiling: Mirror rose gold edge frame, acrylic painted light panel

Back wall: Clear mirror, wood finish

Side wall: Wood finish

Recommended front wall material: Mirror rose gold stainless steel

HD130

Ceiling: Mirror stainless steel edge frame, decorative light trough, downlight

Back wall: Wood veneer + decorative light trough, mirror stainless steel

Side wall: Wood veneer + decorative light trough, mirror stainless steel

Recommended front wall material: Mirror stainless steel

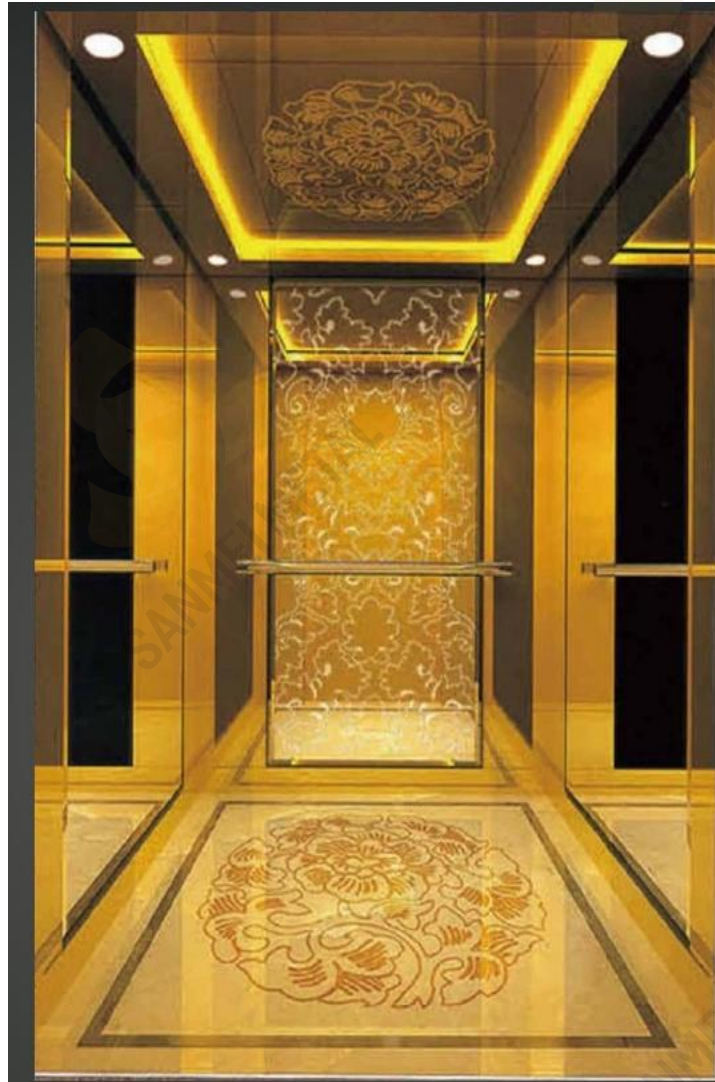

HD 201

Ceiling: Mirror rose gold edge frame, downlight

Back wall: Patterned etched rose gold, mirror rose gold stainless steel

Side wall: Mirror rose gold, patterned rose gold stainless steel

Recommended front wall material: Patterned rose gold stainless steel

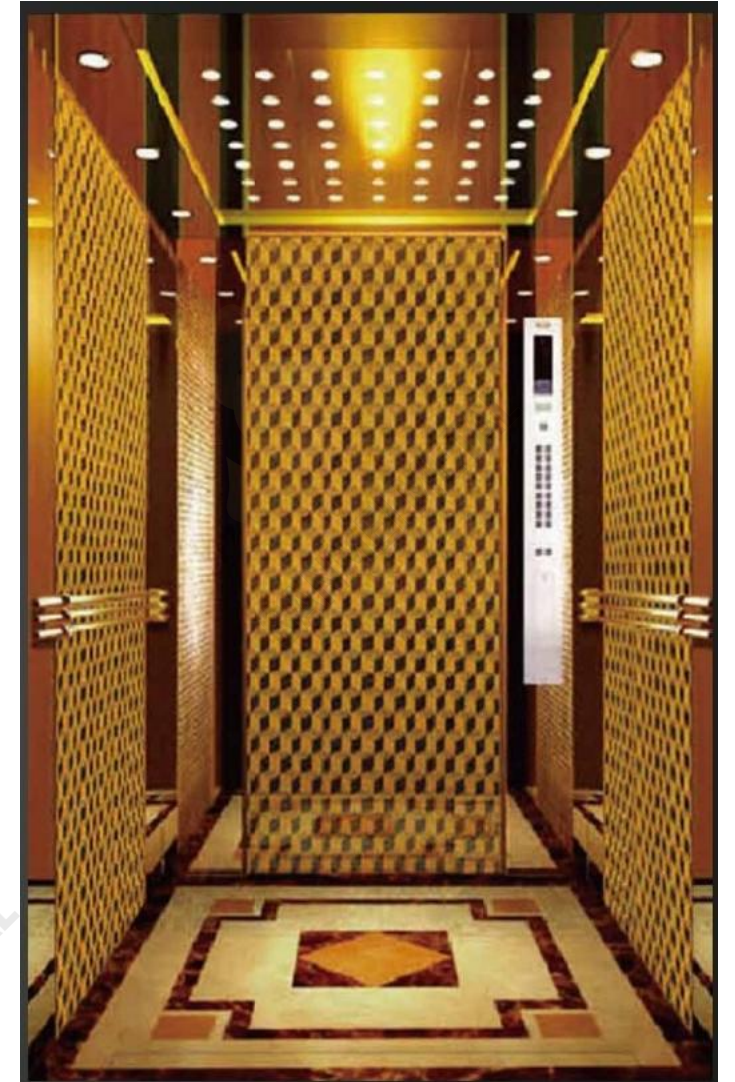

HD202

Ceiling: Mirror titanium gold stainless steel edge frame + reflective light belt + downlight

Back wall: Mirror etched titanium gold + patterned titanium gold frame + mirror titanium stainless steel

Side wall: Mirror titanium stainless steel + patterned titanium gold frame + mirror titanium stainless steel

Recommended front wall material: Mirror titanium stainless steel

HD203

Ceiling: Mirror titanium stainless steel edge frame + acrylic light panel + downlight

Back wall: Mirror etched titanium + mirror titanium stainless steel

Side wall: Mirror etched titanium + mirror titanium stainless steel

Recommended front wall material: Mirror titanium stainless steel

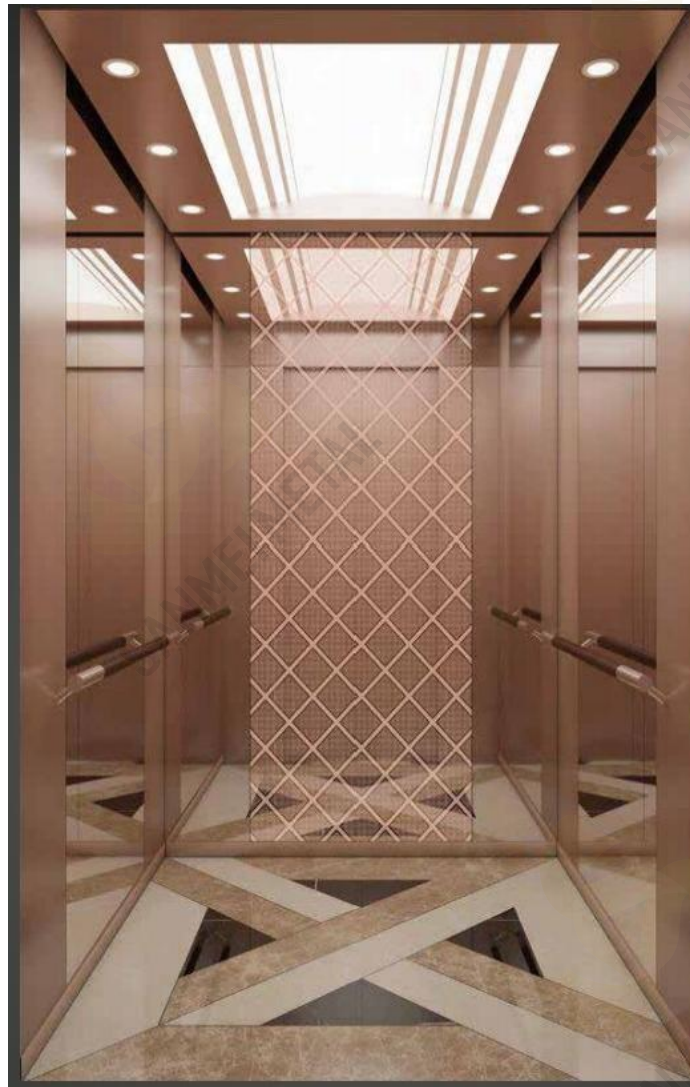

HD204

Ceiling: Rose gold mirror finish, LED lighting

Back wall: Rose gold mirror with etching

Side wall: Center rose gold mirror etched, sides with rose gold pattern

Recommended front wall material: Patterned rose gold stainless steel

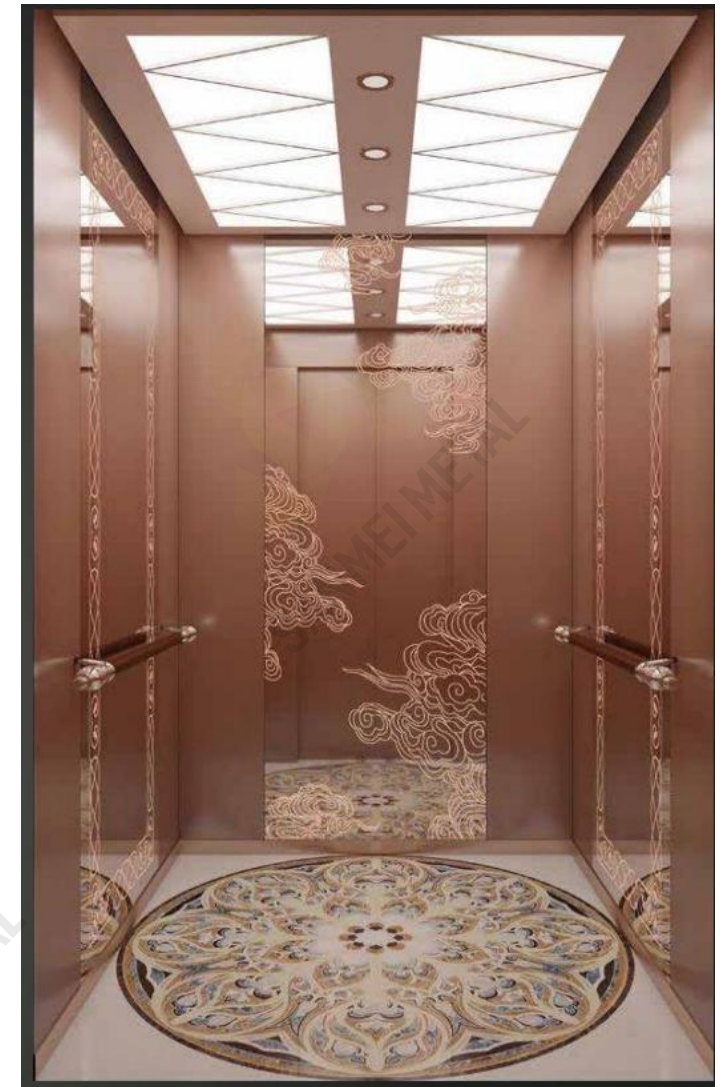

HD205

Ceiling: Rose gold mirror finish, LED lighting

Back wall: Rose gold mirror with etching, sides with rose gold mirror finish

Side wall: Center mirror, sides with rose gold pattern

Recommended front wall material: Patterned rose gold stainless steel

HD206

Ceiling: Mirror rose gold stainless steel edge frame + acrylic painted light panel + downlight

Back wall: Mirror etched rose gold + patterned rose gold stainless steel

Side wall: Mirror etched rose gold + patterned rose gold stainless steel

Recommended front wall material: Patterned rose gold stainless steel

HD 207

Ceiling: Painted metal panel + metal strips + downlight

Back wall: Center black titanium mirror etched, sides with rose gold pattern

Side wall: Center black titanium mirror etched, sides with rose gold pattern

Recommended front wall material: Patterned rose gold stainless steel

HD 208

Ceiling: Mirror rose gold stainless steel edge frame + reflective light belt

Back wall: Wood veneer + mirror rose gold

Side wall: Wood veneer + mirror rose gold

Recommended front wall material: Mirror rose gold stainless steel

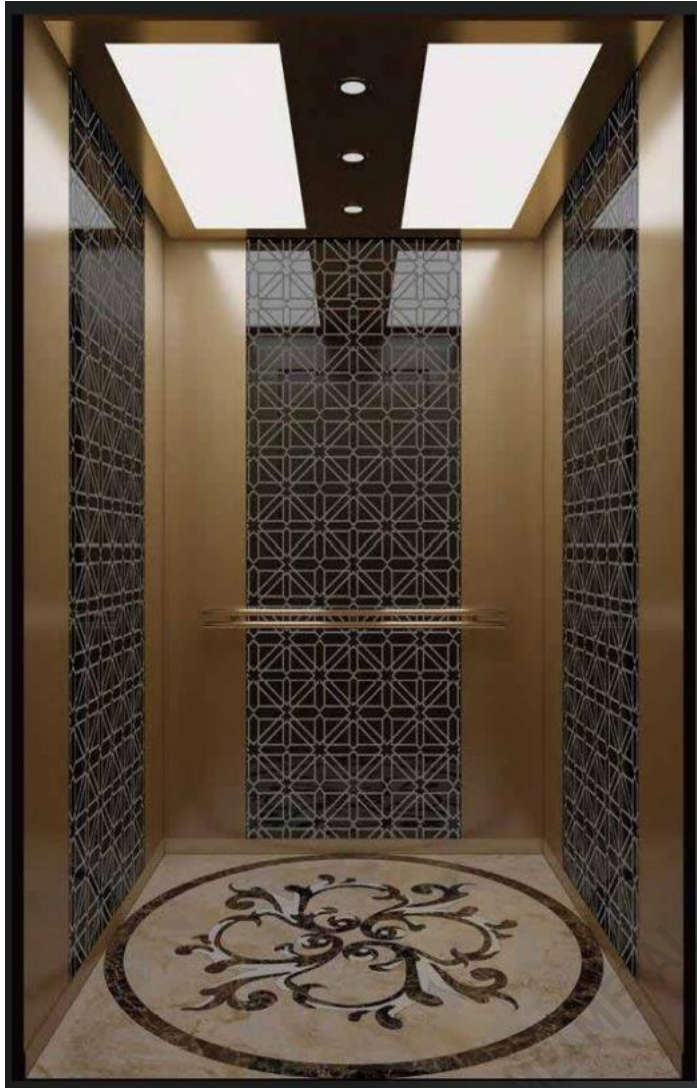

HD209

Ceiling: Mirror stainless steel edge frame + acrylic light panel + downlight

Back wall: Wood veneer + metal strips + mirror stainless steel

Side wall: Wood veneer + metal strips + mirror stainless steel

Recommended front wall material: Mirror stainless steel

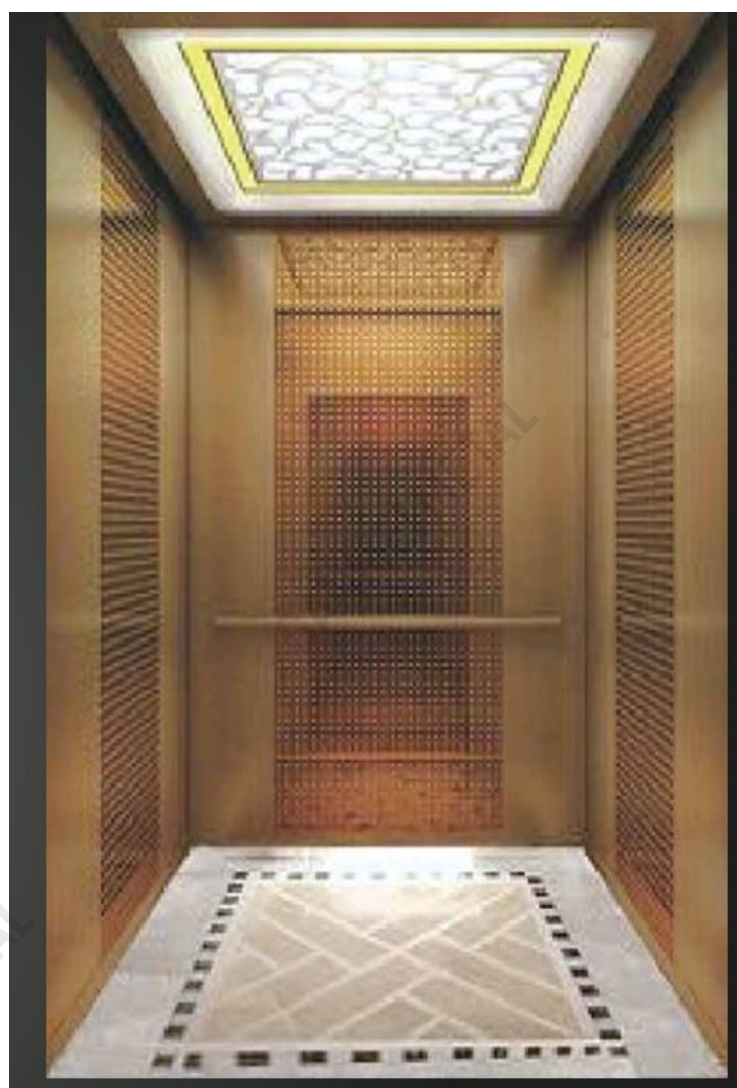

HD 210

Ceiling: Patterned titanium gold edge frame + acrylic light panel + downlight
Back wall: Center black titanium mirror etched, sides with titanium gold pattern
Side wall: Center black titanium mirror etched, sides with titanium gold pattern
Recommended front wall material: Patterned rose gold stainless steel

HD 211

Ceiling: Painted metal + acrylic light panel + downlight
Back wall: Center titanium gold mirror etched, sides with black titanium mirror
Side wall: Center titanium gold mirror, sides with black titanium mirror
Recommended front wall material: Mirror black titanium stainless steel

HD212

Ceiling: Mirror rose gold stainless steel edge frame + acrylic painted light panel
Back wall: Mirror etched rose gold + patterned rose gold stainless steel
Side wall: Mirror etched rose gold + patterned rose gold stainless steel
Recommended front wall material: Patterned rose gold stainless steel

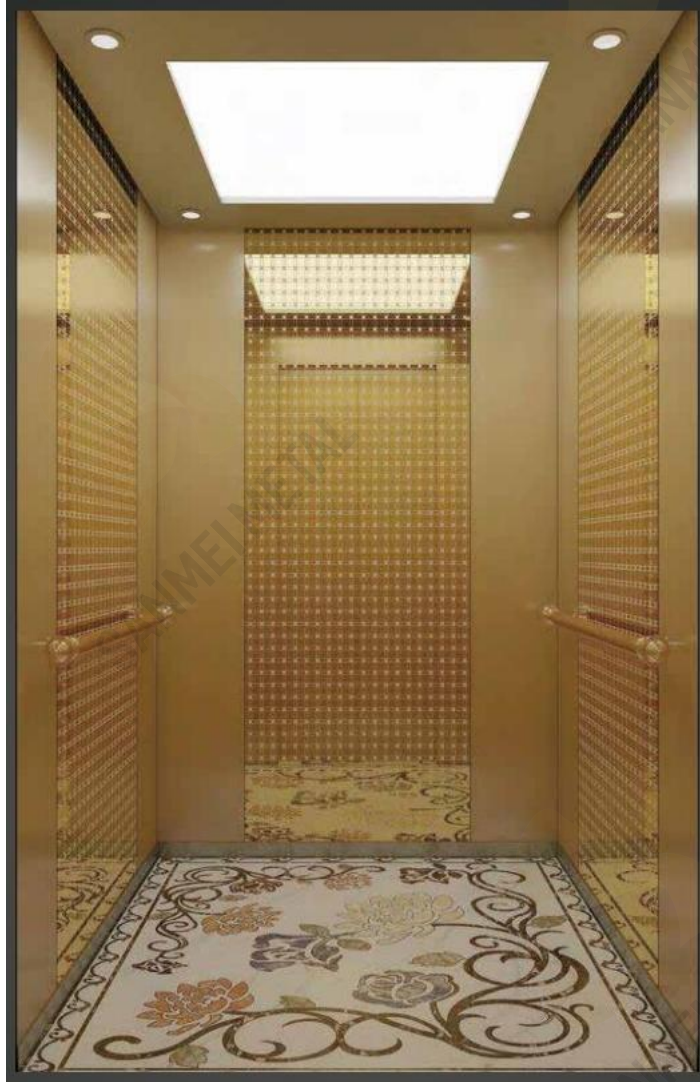

HD213

Ceiling: Painted metal panel edge frame + decorative strips + acrylic light panel + downlight

Back wall: Mirror etched rose gold + decorative strips + patterned gray titanium stainless steel

Side wall: Mirror etched rose gold + decorative strips + patterned gray titanium stainless steel

Recommended front wall material: Patterned gray titanium stainless steel

HD 214

Ceiling: Patterned titanium gold edge frame + acrylic light panel + downlight

Back wall: Center titanium gold mirror etched, sides with titanium gold pattern

Side wall: Center titanium gold mirror etched, sides with titanium gold pattern

Recommended front wall material: Mirror titanium stainless steel

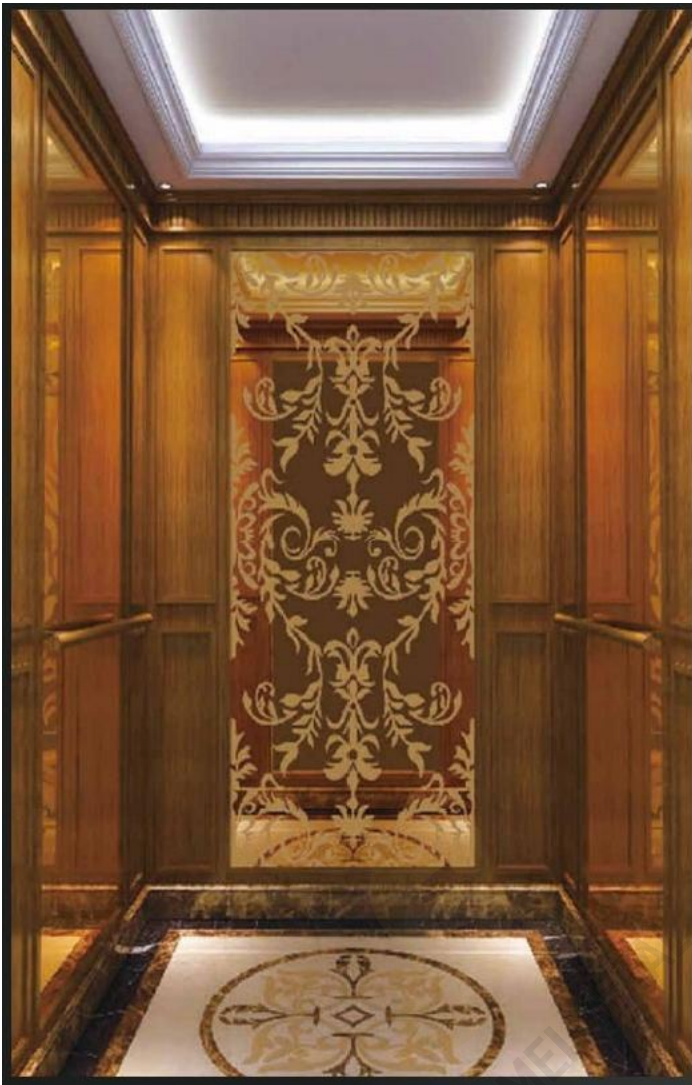

HD215

Ceiling: Mirror titanium stainless steel edge frame + decorative light trough + downlight

Back wall: Mirror etched titanium + wood veneer

Side wall: Mirror titanium + wood veneer

Recommended front wall material: Mirror titanium stainless steel

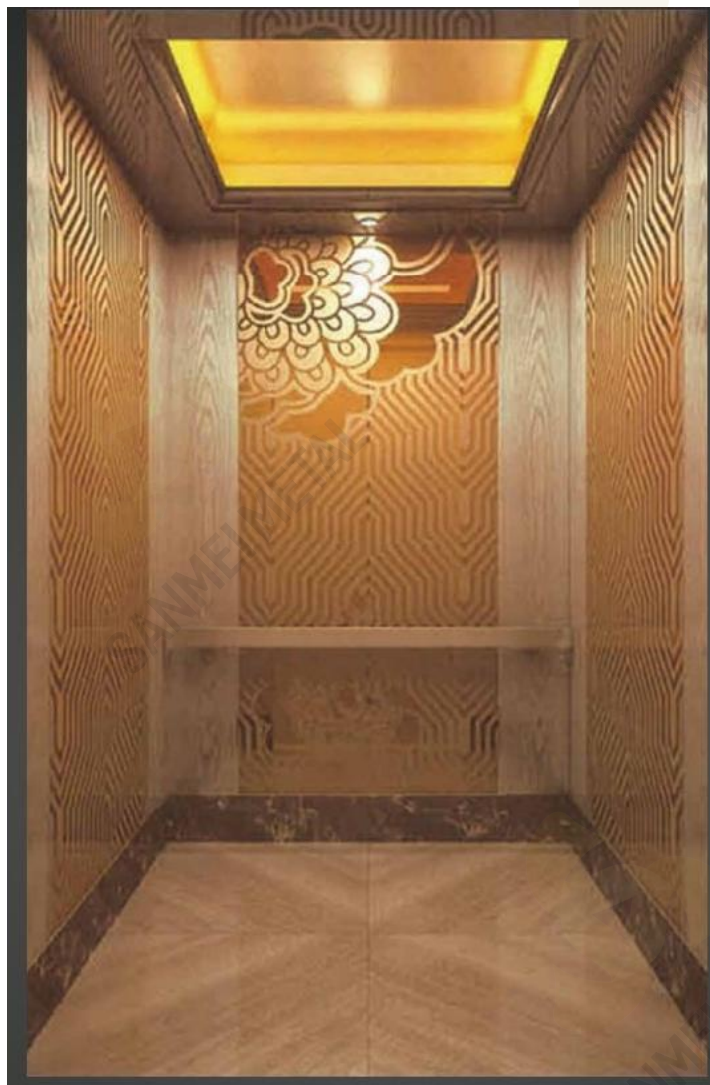

HD 216

Ceiling: Wood design edge frame + reflective light belt + downlight

Back wall: Mirror etched rose gold + wood edge + wood finish

Side wall: Mirror rose gold + wood edge + wood finish

Recommended front wall material: Mirror rose gold stainless steel

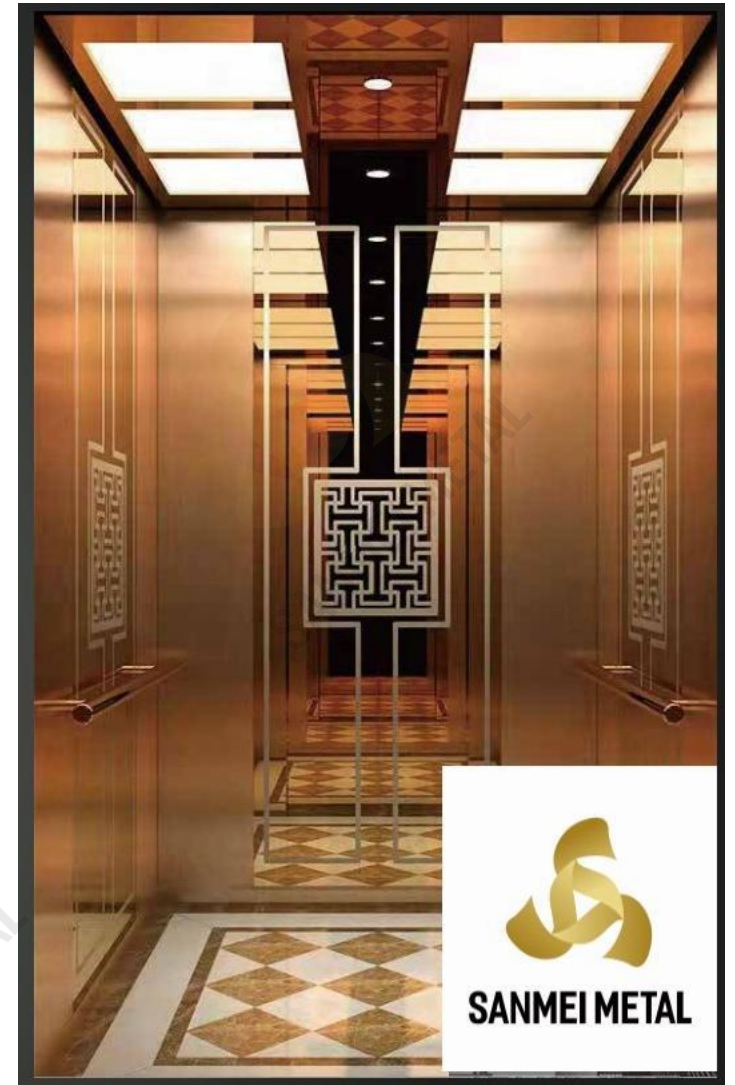

HD 217

Ceiling: Mirror rose gold stainless steel edge frame + reflective light belt + ceiling matte rose gold panel

Back wall: Mirror etched rose gold + wood veneer

Side wall: Mirror etched rose gold + wood veneer

Recommended front wall material: Mirror rose gold stainless steel

HD218

Ceiling: Mirror rose gold stainless steel edge frame + acrylic painted light panel + downlight

Back wall: Mirror etched rose gold + patterned rose gold stainless steel

Side wall: Mirror etched rose gold + patterned rose gold stainless steel

Recommended front wall material: Patterned rose gold stainless steel

HD 219

Ceiling: Patterned finish, LED lighting
Back wall: Center sapphire blue mirror etched, sides with patterned finish
Side wall: Center sapphire blue mirror, sides with patterned finish
Recommended front wall material: Patterned stainless steel

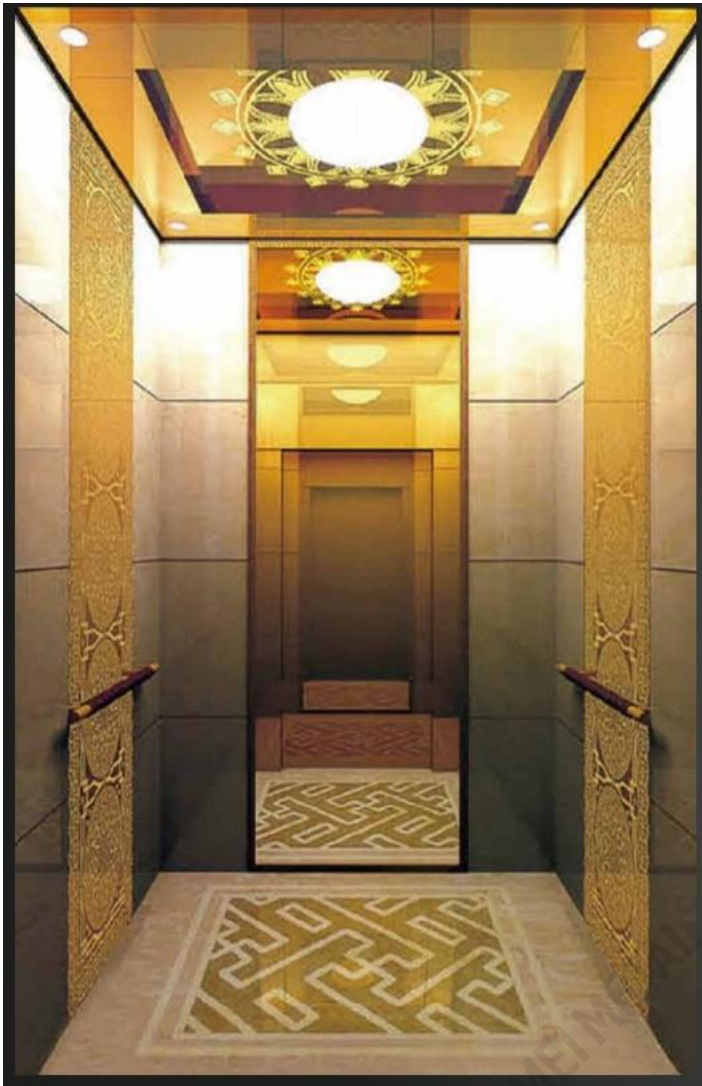

HD220

Ceiling: Patterned finish, LED lighting
Back wall: Center amethyst purple mirror, sides with patterned finish
Side wall: Center amethyst purple mirror, sides with patterned finish
Recommended front wall material: Patterned stainless steel

HD221

Ceiling: Black titanium patterned finish, LED lighting
Back wall: Center black titanium mirror etched, sides with black titanium pattern
Side wall: Center black titanium mirror etched, sides with black titanium pattern
Recommended front wall material: Patterned black titanium stainless steel

HD 222

Ceiling: Mirror titanium stainless steel edge frame + downlight + etched titanium ceiling light panel

Back wall: Mirror etched titanium + wood veneer

Side wall: Silver mirror + decorative metal strips + wood veneer

Recommended front wall material: Patterned titanium stainless steel

HD 223

Ceiling: Mirror champagne gold stainless steel edge frame + downlight + decorative lighting

Back wall: Mirror etched champagne gold + patterned champagne gold stainless steel

Side wall: Mirror champagne gold + patterned champagne gold stainless steel

Recommended front wall material: Patterned champagne gold stainless steel

HD 224

Ceiling: Mirror champagne gold stainless steel edge frame + acrylic light panel + organic column lights

Back wall: Mirror etched champagne gold + patterned etched champagne gold stainless steel

Side wall: Patterned champagne gold + patterned etched champagne gold stainless steel

Recommended front wall material: Patterned champagne gold stainless steel
