HD101

Ceiling: baked enamel molding with metal trim strips, recessed light strips

Back wall: bronze gold etched stainless steel

Side wall: marble slab + hairline bronze gold stainless steel
 Recommended material for front wall: bronze gold stainless steel

HD102

Ceiling: bronze gold stainless steel frame + acrylic painting
 Back: bronze gold mirror surface with sandblasted stainless steel, wood grain board

Side wall: Wood grain panel

Recommended material for front wall: bronze gold stainless steel

HD103

Ceiling: Metal baked paint frame, recessed light strips, downlights

Back: Rose gold mirror etched stainless steel, wood finish with metal lines

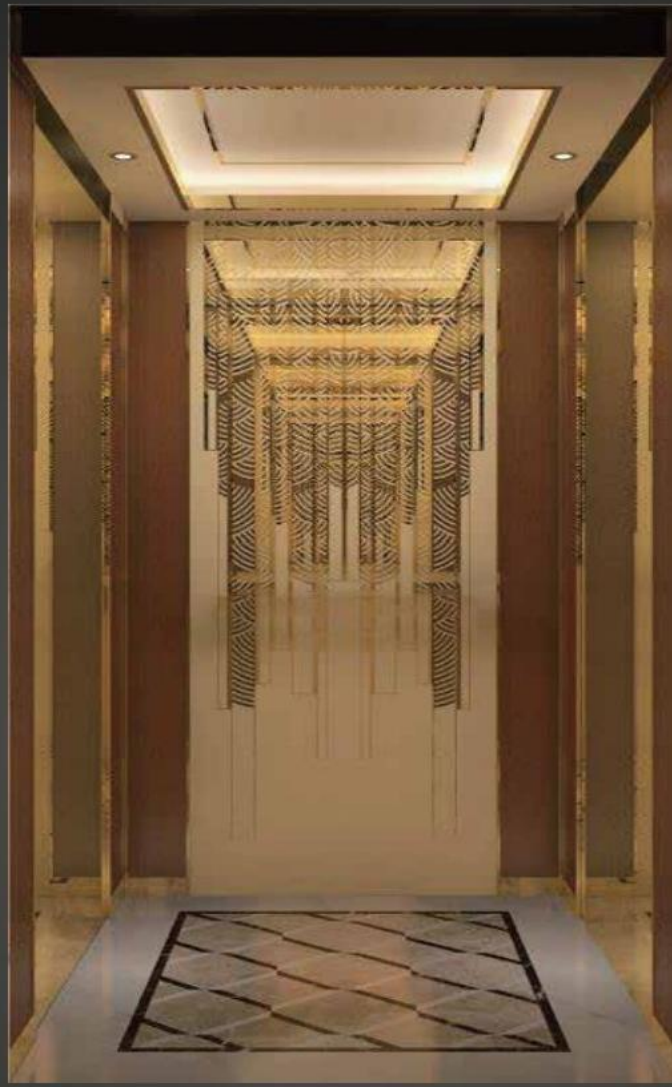

Side wall: rose gold mirror stainless steel, wood finish inlaid metal trim

Recommended material for front wall: mirror rose gold stainless steel

HD104

Ceiling: Metal baked paint frame with metal trim strip, recessed light strip, downlight
 Back: titanium mirror etched stainless steel, wood grain board
 Side walls: titanium mirror etched stainless steel, wood grain panels
 Recommended material for front wall: titanium mirror stainless steel

HD105

Ceiling: Metal baked paint frame with metal decorative strips, recessed light strips, downlights
 Back: titanium mirror etched stainless steel, wood grain board
 Side walls: titanium mirror etched stainless steel, wood panel
 Recommended material for front wall: titanium mirror stainless steel

HD106

Ceiling: Metal baked paint panel with metal trim strip, recessed light strips, downlights
 Back: titanium mirror stainless steel, wood grain board
 Side wall: titanium gold mirror stainless steel, wood grain board
 Recommended material for front wall: titanium mirror stainless steel

HD107

Ceiling: White wood finish with metal trim, recessed light strips, downlights
Back: titanium mirror etched stainless steel, wood grain panel inlaid metal trim
Side wall: titanium gold mirror stainless steel, wood panel with metal trim
Recommended material for front wall: titanium mirror stainless steel

HD108

Ceiling: Mirror rose gold frame, acrylic translucent panel, downlight
Back: Artistic wire glass, mirror rose gold stainless steel
Side wall: mirror rose gold stainless steel, wood panel with metal trim
Recommended material for front wall: mirror rose gold stainless steel

HD109

Ceiling: Mirror rose gold frame, acrylic translucent panel
Back: Wood grain board, mirror rose gold stainless steel
Side wall: mirror rose gold stainless steel, wood panel with metal lines
Recommended material for front wall: mirror rose gold stainless steel

HD110

Ceiling: Mirror titanium frame, acrylic translucent panel, downlight
Back: resin plate, mirror titanium stainless steel
Side wall: resin plate, mirror titanium stainless steel
Recommended material for front wall: mirror titanium stainless steel

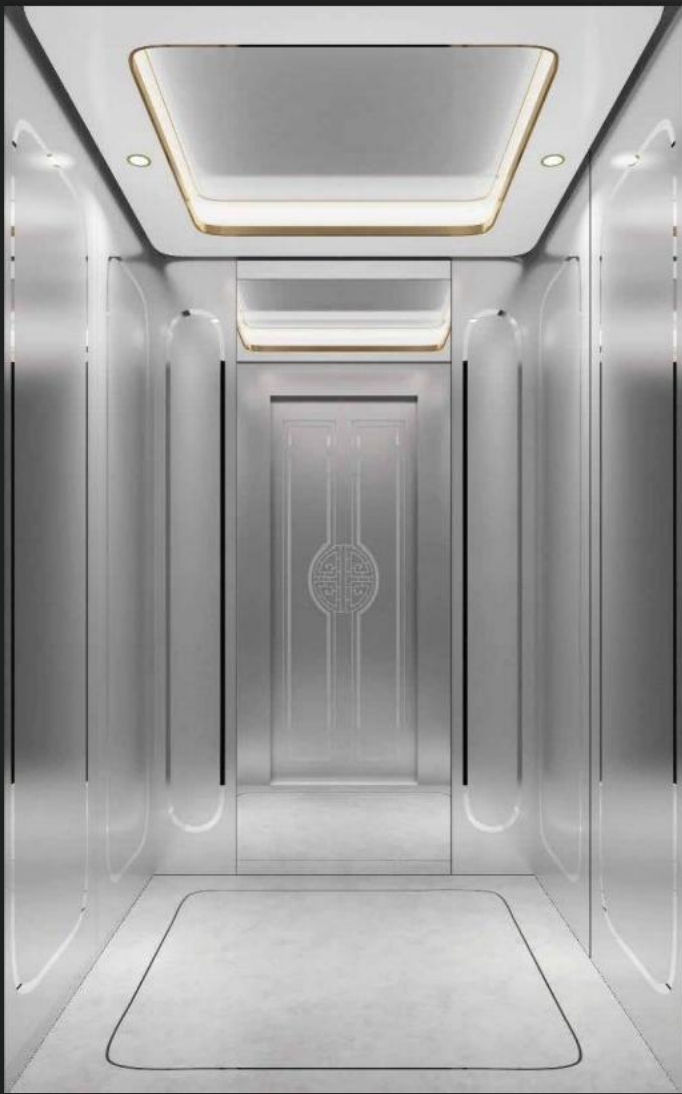

HD111

Ceiling: Mirror rose gold frame, acrylic translucent panel, downlight
Back: Mirror etched rose gold, sandblasted rose gold stainless steel
Side wall: mirror etched rose gold, sandblasted rose gold stainless steel
Recommended material for front wall: sandblasted rose gold stainless steel

HD112

Ceiling: Wood shape, back light strip, downlight
Back: Mirror etched rose gold, mirror rose gold stainless steel
Side wall: Mirror rose gold, leather hard package
Recommended material for front wall: mirror rose gold stainless steel

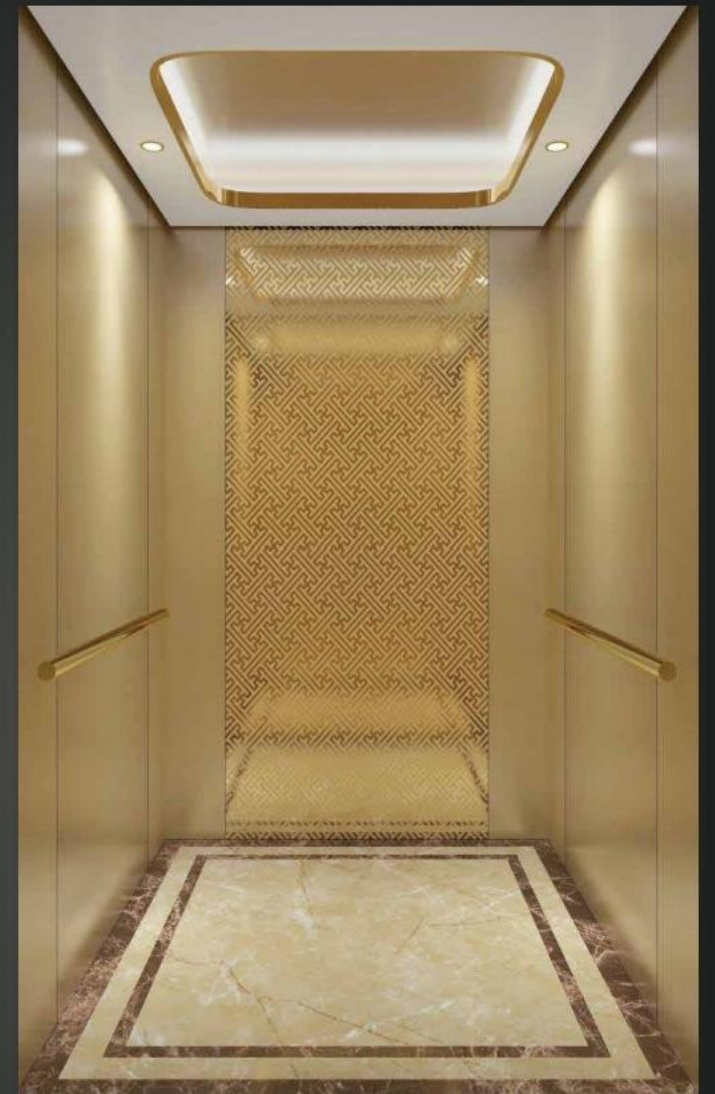

HD113

Ceiling: metal baked paint frame, metal trim strip, downlight and back lighting
Back: Mirror stainless steel, mirror etched stainless steel
Side wall: Mirror etched stainless steel
Recommended material for front wall: mirror stainless steel

HD114

Ceiling: metal baked paint frame, metal trim strip, downlight and back lighting
Back: Titanium mirror etched stainless steel, hairline titanium stainless steel
Side wall: mirror titanium, hairline titanium stainless steel
Recommended material for front wall: hairline titanium stainless steel

HD115

Ceiling: metal baked paint frame, metal trim strip, downlight and back lighting
Back: Titanium mirror etched stainless steel, hairline titanium stainless steel
Side wall: hairline titanium gold stainless steel
Recommended material for front wall: hairline titanium stainless steel

HD116

Ceiling: Mirror black titanium stainless steel, wood grating, back light strips
Back wall: Mirror black titanium stainless steel, wooden grating, wall light
Side walls: wooden grilles
Recommended material for front wall: mirror black titanium stainless steel

HD117

Ceiling: wood modeling, metal trim, downlights and back lighting
Back wall: Wood veneer with metal lines, mirror rose gold stainless steel
Side wall: wood veneer with metal lines, mirror rose gold stainless steel
Recommended material for front wall: mirror rose gold stainless steel

HD118

Ceiling: metal baked paint frame, metal trim strip, downlight and back lighting
Back: Mirror black titanium etched stainless steel, metal trim strip, wood grain panel
Side wall: Wood grain board, metal trim
Recommended material for front wall: mirror black titanium stainless steel

HD119

Ceiling: Mirror champagne gold frame, stone pattern acrylic translucent panel, downlight
Back: Mirror etched champagne gold, hairline champagne gold stainless steel
Sides: Hairline champagne gold stainless steel
Front wall recommended material: hairline champagne gold stainless steel

HD120

Ceiling: Textured champagne gold frame, recessed light strips, downlights
Back: Rock panel, hairline champagne gold stainless steel
Sides: Hairline champagne gold stainless steel
Front wall recommended material: hairline champagne gold stainless steel

HD121

Ceiling: metal baked paint frame, metal trim strip, downlight and back lighting
Back: Mirror etched bronze, metal trim strips, hairline bronze stainless steel
Side walls: Mirror etched bronze, metal trim strips, hairline bronze stainless steel
Recommended material for front wall: hairline bronze stainless steel

HD122

Ceiling: metal baked paint frame, metal trim strip, downlight and back lighting
 Back: Art glass, metal trim strips, hairline rose gold stainless steel
 Side wall: hairline rose gold, metal trim
 Recommended material for front wall: hairline rose gold stainless steel

HD123

Ceiling: Mirror champagne gold frame, acrylic translucent panel, downlight
 Back: Mirror etched champagne gold, art sandblasted champagne gold stainless steel
 Sides: Mirror etched champagne gold, art sandblasted champagne gold stainless steel
 Recommended material for front wall: Artistic sandblasting champagne gold stainless steel

HD124

Ceiling: Hairline champagne gold frame, recessed lights
 Back: Mirror etched champagne gold, hairline champagne gold stainless steel
 Sides: Hairline champagne gold stainless steel
 Front wall recommended material: hairline champagne gold stainless steel

HD125

Ceiling: Mirror black titanium frame, acrylic transparent plate
 Back: Spray painted panel, hairline black titanium stainless steel
 Side wall: Wood grain panel
 Recommended material for front wall: hairline black titanium stainless steel

HD126

Ceiling: wooden molding frame + backlight strip + downlight
 Back: Mirror etched rose gold + wooden frame + wood finish
 Side wall: mirror rose gold + wooden frame + wooden finish
 Recommended material for front wall: mirror rose gold stainless steel

HD127

Metal painted frame, metal trim strip, downlight and back lighting
 Back wall: wood finish, rock slab + metal trim, tea mirror
 Side wall: wood finish, rock plate + metal trim
 Recommended material for front wall: hairline rose gold stainless steel

HD128

Ceiling: Mirror rose gold shaped frame, downlight
Back: Hairline etched rose gold, mirror rose gold stainless steel
Side wall: Mirror rose gold, hairline rose gold stainless steel
Recommended material for front wall: hairline rose gold stainless steel

HD129

Ceiling: Mirror rose gold frame, acrylic printed transparent plate
Back wall: clear water mirror, wooden shape
Side wall: wooden shape
Recommended material for front wall: mirror rose gold stainless steel

HD130

Ceiling: mirror stainless steel frame, shaped light trough, downlight
Back wall: wood grain board + shaped light trough, mirror stainless steel
Side wall: wood grain board + shaped light trough, mirror stainless steel
Recommended material for front wall: mirror stainless steel

HD 201

Ceiling: metal baked paint board + metal lines + backlight strip
 Back: Mirror etched stainless steel + hairline black titanium frame + mirror titanium gold stainless steel
 Side wall: leather hard package + hairline black titanium frame + mirror titanium stainless steel
 Recommended material for front wall: mirror stainless steel

HD202

Ceiling: mirror titanium stainless steel frame + backlight strip + downlight
 Back: Mirror etched titanium + hairline frame + mirror titanium stainless steel
 Side wall: mirror titanium stainless steel + hairline frame + mirror titanium
 Recommended material for front wall: mirror titanium stainless steel

HD203

Ceiling: mirror titanium stainless steel frame + acrylic light plate + downlight
 Back: Mirror etched titanium + mirror titanium stainless steel
 Side wall: mirror etched titanium + mirror titanium stainless steel
 Recommended material for front wall: mirror titanium stainless steel

HD204

Ceiling: Rose gold mirror, LED lighting.

Back: Rose gold mirror etching

Side wall: rose gold mirror etching in the middle and rose gold hair pattern on both sides.

Recommended material for front wall: hairline rose gold stainless steel

HD205

Ceiling: Rose gold mirror, LED lighting.

Back: Rose gold mirror etching, rose gold mirror on both sides.

Side wall: middle mirror, two sides of rose gold hairline.

Recommended material for front wall: hairline rose gold stainless steel

HD206

Ceiling: mirror rose gold stainless steel frame + acrylic transparent plate printing + downlight

Back: Mirror etched rose gold + hairline rose gold stainless steel

Side wall: Mirror etched rose gold + hairline rose gold stainless steel

Recommended material for front wall: hairline rose gold stainless steel

HD 207

Ceiling: metal baked paint board + metal lines + downlight
 Back: Black titanium mirror etching in the middle and rose gold hair pattern on both sides.
 Side wall: black titanium mirror etching in the middle, rose gold hair pattern on both sides.
 Front wall recommended material: hairline rose gold stainless steel

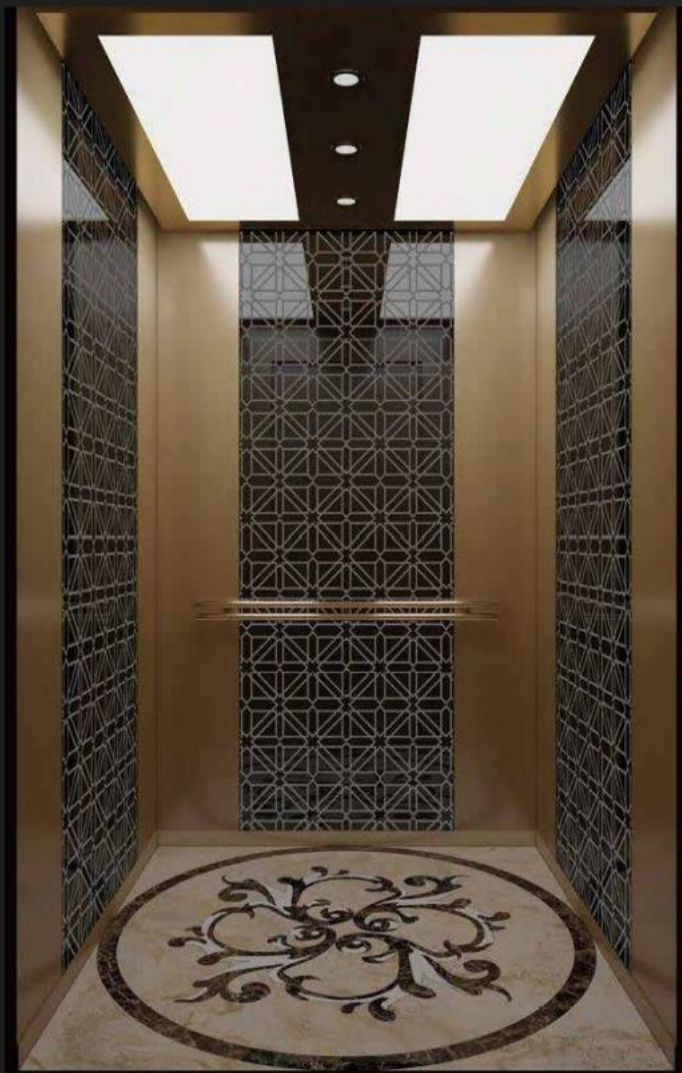

HD 208

Ceiling: mirror rose gold stainless steel frame + backlight strip
 Back: Wood grain board + mirror rose gold
 Side wall: wood grain board + mirror rose gold
 Recommended material for front wall: mirror rose gold stainless steel

HD209

Ceiling: mirror stainless steel frame + acrylic light plate + downlight
 Back wall: wood grain board + metal lines + mirror stainless steel
 Side wall: wood grain board + metal line + mirror stainless steel
 Recommended material for front wall: mirror stainless steel

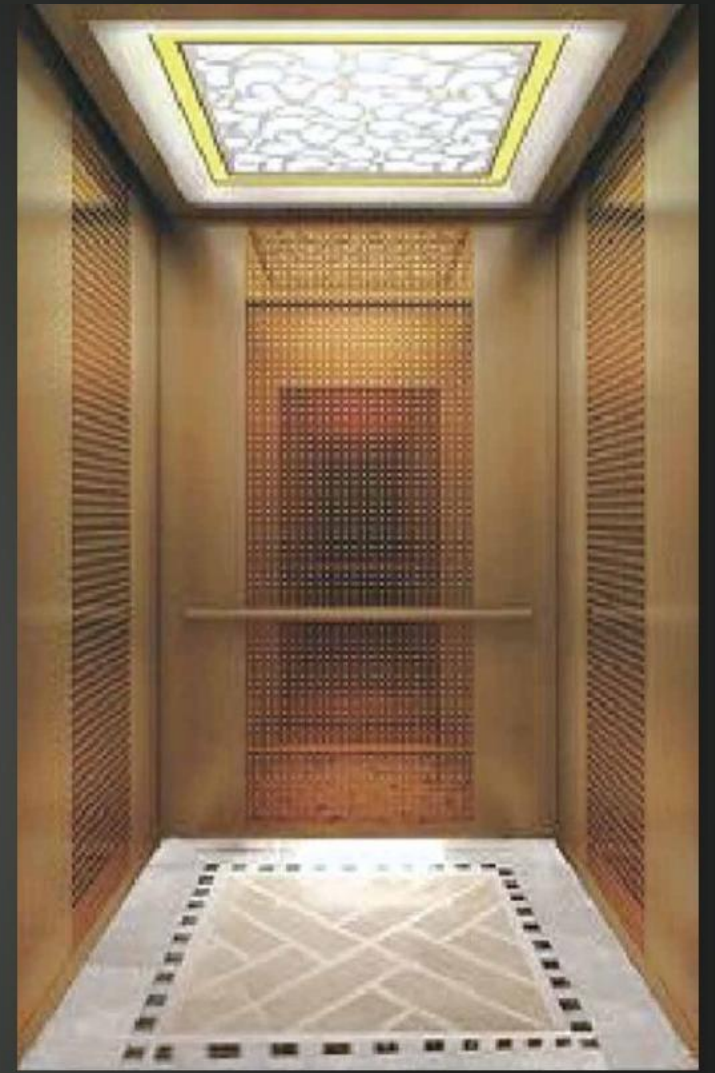

HD 210

Ceiling: titanium hairline frame + acrylic light plate + downlight
 Back: black titanium mirror etching in the middle and titanium gold hairline on both sides.
 Side wall: black titanium mirror etching in the middle, titanium gold hair pattern on both sides.
 Recommended material for front wall: hairline rose gold stainless steel

HD 211

Ceiling: metal paint + acrylic translucent panel + downlight
 Back: titanium gold mirror etching in the middle and black titanium mirror on both sides.
 Side wall: middle titanium gold mirror, two sides black titanium mirror.
 Recommended material for front wall: mirror black titanium stainless steel

HD 212

Ceiling: mirror rose gold stainless steel frame + acrylic printed transparent plate
 Back: Mirror etched rose gold + hairline rose gold stainless steel
 Side wall: Mirror etched rose gold + hairline rose gold stainless steel
 Recommended material for front wall: hairline rose gold stainless steel

HD213

Ceiling: metal baked paint frame + metal decorative strip + acrylic light plate + downlight
 Back: Mirror etched rose gold + metal trim strip + hairline gray titanium stainless steel
 Side wall: Mirror etched rose gold + metal trim strip + hairline gray titanium stainless steel
 Recommended material for front wall: hairline gray titanium stainless steel

HD 214

Ceiling: hairline titanium frame + acrylic light plate + downlight
 Back: titanium gold mirror etching in the middle and titanium gold hairline on both sides.
 Side wall: titanium gold mirror etching in the middle, titanium gold hairline on both sides.
 Recommended material for front wall: mirror titanium stainless steel

HD215

Ceiling: mirror titanium stainless steel frame + downlight,
 Back: Mirror etched titanium, wood grain board.
 Front wall: mirror titanium, wood grain board,
 Recommended material for front wall: mirror titanium stainless steel

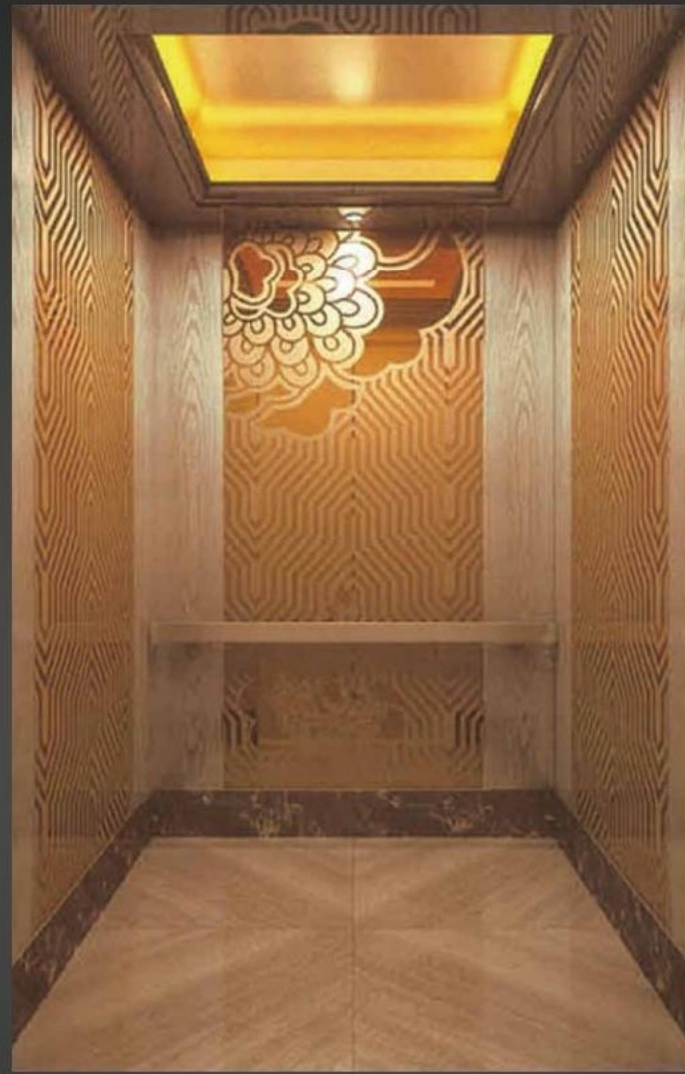

HD 216

Ceiling: wooden molding frame + backlight strip + downlight

Back: Mirror etched rose gold + wooden frame + wood finish

Side wall: mirror rose gold + wooden frame + wooden finish

Recommended material for front wall: mirror rose gold stainless steel

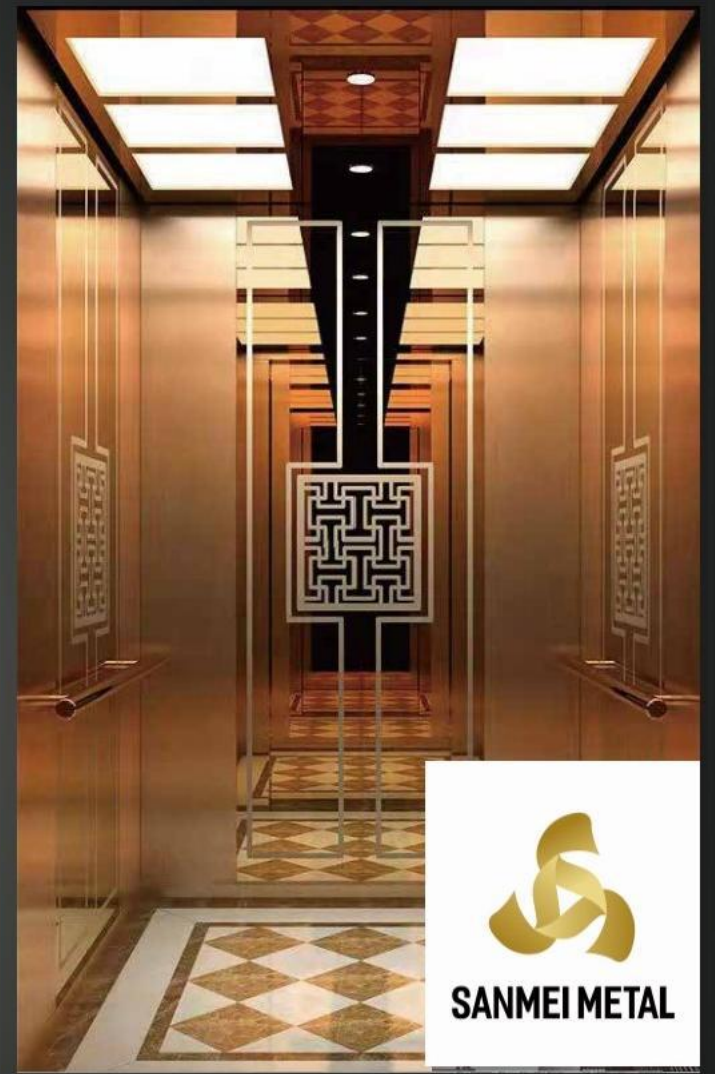

HD 217

Ceiling: mirror rose gold stainless steel frame + backlight strip + ceiling matte rose gold

Back: Mirror etched rose gold + wood grain board

Side wall: mirror etched rose gold + wood grain board

Recommended material for front wall: mirror rose gold stainless steel

HD 218

Ceiling: mirror rose gold stainless steel frame + acrylic light plate printing + downlight

Back: Mirror etched rose gold + hairline rose gold stainless steel

Side wall: Mirror etched rose gold + hairline rose gold stainless steel

Recommended material for front wall: hairline rose gold stainless steel

SANMEI METAL

HD 219

Ceiling: hairline, LED lighting.
Back: Central gem blue mirror etching, hairline on both sides.
Side wall: middle gem blue mirror, hair on both sides.
Recommended material for front wall: hairline stainless steel

HD220

Ceiling: hairline, LED lighting.
Back: Violet mirror in the middle, hairline on both sides.
Side walls: Violet mirror in the middle, hairline on both sides.
Recommended material for front wall: hairline stainless steel

HD221

Ceiling: black titanium hairline, LED lighting.
Back: black titanium mirror etching in the middle and black titanium hairline on both sides.
Side wall: black titanium mirror etching in the middle, black titanium hair pattern on both sides.
Recommended material for front wall: hairline black titanium stainless steel

HD 222

Ceiling: mirror titanium stainless steel frame + downlight + mirror etched titanium ceiling lamp
 Back: Mirror etched titanium + wood grain board
 Side wall: mercury mirror + metal trim strip + wood grain board
 Recommended material for front wall: hairline titanium stainless steel

HD 223

Ceiling: Mirror champagne gold stainless steel frame + downlight + decorative lamp
 Back: Mirror etched champagne gold + hairline champagne gold stainless steel
 Side wall: mirror champagne gold + hairline champagne gold stainless steel
 Front wall recommended material: hairline champagne gold stainless steel

HD 224

Ceiling: Mirror champagne gold stainless steel frame + acrylic transparent plate spray painting + organic lamp post
 Back: Mirror etched champagne gold + hairline etched champagne gold stainless steel
 Side wall: hairline champagne gold + hairline champagne gold etched stainless steel
 Recommended material for front wall: hairline champagne gold stainless steel.
